### Post office hosting open house

The Pahokee Post Office will be hosting an open house and customer appreciation day on Oct. 27. Citizens are invited to stop by and have refreshments and take a tour of the newly-renovated building.

There will also be someone available to answer questions about the services provided and comments or suggestions will be welcome.

On Nov. 5, the Pahokee Post Office will have a mobile station at the Grassy Waters Festival. They will be selling stamps, envelopes, and postcards. If requested, they will apply a special "Pictorial Cancellation" stamp which depicts the Grassy Waters Festival and Car Show logo.

### Open House at Gove Elementary

Gove Elementary School is hosting an open house on Oct. 11, at 6:30 p.m.

The event is for grades pre-K, through second grade. Another open house for grades three through five and ESE will be held Oct. 12. The school is located at 900 S.E. Avenue G, Belle Glade.

### Seminar offered on BMP's for ditchbank stabilization

Growers are invited to a seminar to examine ditchbank stabilization on Wednesday, Oct. 12, from 2:30 to 4:30 p.m. at the Everglades Research and Education Center, Belle Glade.

The seminar will cover the areas of ground covers, establishment techniques and maintenance.

Tom Schueneman, extension agent III, said this seminar should be a timely topic in compliance with South Florida Water Management District's educational requirements for the Best Management Practice permitting process.

### Pest Management Seminar offered

Growers are invited to attend a pest management seminar on Wednesday, Oct. 19, from 2:30 to 4:30 p.m. at the Palm Beach County Cooperative Extension Service office located at the corner of U.S. 441 and State Road 60, by the Sheriff's Office in Belle Glade.

Call 996-1655 for more information.

### This is Mental Health Awareness Week

Oct. 2-8 has been declared Mental Health Awareness Week in Palm Beach County. In recognition of this, a free screening for depression is being offered at the West County Senior Citizen Center. The screening will be offered Thursday, Oct. 6, from 9 a.m. to noon. Licensed Mental Health Counselor Joy Larsen, will conduct the evaluations. Any adult who is interested in the screening is invited to attend.

Stretch it out...George and Lidia Burch join in the warm up exercises with the other 185 participants in Saturday's American Heart Association Heart Walk. The 5-K Walk, which began at the Belle Glade Marina and proceeded up State Road 717 and back to the marina, raised \$15,000 for the charity. A light sprinkle didn't stop the event in the Glades, but other Heart Walks in the county had downpours and Dade County Heart Walks were cancelled due to the rain.

## County commission votes to make improvements at jail and add AIDS clinic

The Palm Beach County Board of County Commissioners moved forward Tuesday, Oct. 4, with the West County Jail and Government Center Improvement Project for the county facilities in Belle Glade.

The total project cost is estimated to be over \$19 million with a guaranteed maximum price of \$18,787,000. Construction period is 450 days.

Along with the jail and the sheriff's facility expansion is a health clinic expansion, including the addition of an AIDS clinic. Other improvements include ADA improvements, life safety upgrades and improvements of the court-house HVAC.

In conjunction with the project, the board approved an interlocal agreement with the City of Belle Glade for a wastewater line extension to service the existing and proposed facilities expansion at the West County Government Center for a not-to-exceed cost to the county of \$43,000 and a one-time connection charge of \$27,410.

The event is a fish fry and citizens are invited to attend and learn about the issues facing Florida.

## Tom Feeny, candidate for Lt. Governor to be in Glades next Wednesday evening

State Rep. Tom Feeny, candidate for Lt. Governor with Jeb Bush, will be in Belle Glade on Wednesday, Oct. 12, from 5 to 7 p.m. at the Belle Glade Marina. Mr. Feeny is from Orange County.

The event is a fish fry and citizens are invited to attend and learn about the issues facing Florida.

## Man found carrying stolen goods

Bobby Lee Turner, 44, of 38 Davis Street, Belle Glade, has been arrested and charged with loitering and prowling, burglary and petit theft.

Belle Glade Patrolman Reuben Prince says he stopped Turner on the street, Sunday, Oct. 2, after he saw Turner carrying several items.

Officer Prince questioned Turner about the items and took him into custody and

charged him with loitering and prowling. About an hour after Turner was arrested, Officer Jack Scott began investigation a reported burglary at the home of Alfredo Gonzalez at 717 S.E. First Street, Belle Glade. Mr. Gonzalez reported that his shed at his home had been burglarized and that several items had been stolen. The items Gonzalez reported as stolen fit the description of the

items Turner had in his possession at the time of his arrest.

Gonzalez later identified the items that Turner had in his possession as the items taken from his shed. Turner was then charged with burglary and petit theft. After being processed at the police station, Turner was taken to the Palm Beach County Jail in Belle Glade where he is being held under a \$3,000 bond.

## Pahokee to get 350-bed juvenile detention center

The Palm Beach County Board of County Commissioners voted Tuesday to purchase up to 50 acres of land to build a 350-bed juvenile detention center adjacent to the City of Pahokee near Pelican Lake.

The commission sent a letter to the Florida Correctional Privatization Commission requesting they include the Pahokee site in a proposal from private vendors for the construction and operation of several detention centers in Martin, Palm Beach, Broward or Dade County.

The commission allocated up to \$300,000 to purchase the land for the center. The county commission voted last month to allocate funds for another prison near South Bay. The projects differ in that the South Bay site was specified in the request for proposals as

the sole site to be considered. The Pahokee site will be identified as a desirable but not sole site. The South Bay prison is for adults and will have 1,800 beds. Pahokee's Mayor Ramon Horta, Jr. and other city commissioners were present at the board meeting and expressed support and appreciation to District Commissioner Ken Foster and the other commissioners for the proposal, and expressed the city's willingness to accept the facility.

Employment and economic impact is expected to be significant for the Pahokee community. The \$10 million construction budget and \$9 million annual payroll will yield at least 200 jobs in the area. An estimated \$36 million overall economic impact would be anticipated on an annual basis.

## Member of pioneer family killed in auto accident

Tammy Jackson Staff Reporter

A fatal car accident claimed the life of the son of former Pahokee Mayor Clark Hull Wilkinson Oct. 1. Walter Wilkinson, 41, served as vice-president and general manager of his family's 2,500-acre Red Devon Ranch in Pahokee.

According to Mr. Wilkinson's son Walter Bradley Wilkinson, Mr. Wilkinson had attended an engagement in Royal Palm Beach and was enroute back to Pahokee.

Traveling on Southern Blvd., he lost control of his 1985 Toyota 4-Runner near Lion Country Safari. The vehicle flipped over eight times before coming to rest in the opposite direction of the traffic.

Coincidentally, Walter was traveling from Wellington when he was confronted with the traffic. While waiting for traffic to move, he received a phone call from his grandmother informing him of his father's accident.

Walter said he made a u-turn in the median and went to St. Mary's Hospital where he received word that his father had died due to injuries from the accident.

Mr. Wilkinson was a member of the first graduating class of Glades Day School in 1971. He attended Abraham Baldwin Agricultural College, Tifton, Ga., but returned home in 1972 to become involved in the family's farming business.

He was a member of Pahokee Lodge No. 1638, Benevolent and Protective Order of the Elks, ASICS, National Rifle Association, and First United Methodist Church of Pahokee. He had currently served on the board of the South Florida Water Management District.

Mr. Wilkinson enjoyed the outdoors and was an avid fisherman and hunter. He had owned numerous boats and they were all named "My Michelle" after his daughter.

"My father will be greatly missed," said Walter. "He is a great man and a great hunter and will be remembered as such."

Mr. Wilkinson is survived by his son, Walter Bradley of Pahokee; daughter, Michelle Ann of Belle Glade; mother, Clark Hull Wilkinson of Pahokee; father and his wife, Ellis Floyd and Frances Wilkinson of Mt. Dora; sister and her husband, Anne and Travis Hutton of Pahokee; the mother of his children, Julia Wilkinson of Pahokee; his sister's children: Kristin and Cameron; and many nieces and nephews.

Services were held Wednesday, Oct. 5, 1994, at First United Methodist Church. Rev. Ronald Jones officiated. Interment was held at Fort Mayaca Cemetery.

Funeral arrangements were under the direction of The James A. Bennett Funeral Home.

Leadership Glades Class of 1994-95...A welcoming reception was held Tuesday night for the 1994-95 class of Leadership Glades. Twenty-five participants will spend one entire day a month for several months learning about the Glades assets, needs, and potential. The sessions are divided into health and human services, environment and water management, business and the economy, agriculture and agribusiness, education and government and the judicial system.

## Man shot in leg during argument

A lunchtime argument last Friday between two Haitian men about the current situation in Haiti left one in jail and one with a bullet wound in the leg.

Police were called to a parking lot at 612 S.W. Martin Luther King Blvd., Belle Glade. They found Albert Dameus, 40, shot in the upper left leg. He said he was shot by Vengé Sejour Jean, who was carrying a .22 caliber revolver.

Dameus was treated at Glades General Hospital and released. Jean turned himself in at the Belle Glade Police Department to Patrolman Kevin Kuschel.

Jean is being charged with aggravated battery with a firearm and persons engaged in a criminal offense having weapons.

After being processed at the police station, Jean was taken to the Palm Beach County Jail in Belle Glade where he is being held with a \$3,000 bond. The gun was not found.

## Local church holds celebration for members

The Canal Point United Methodist Men's group held a dinner, wedding shower, and celebration for Jennie Morales and Lamar Sears on Tuesday, Sept. 27. The Maxson Fellowship Hall took on a festive, wedding decor, as wedding bells and balloons adorned the walls and hung from the ceiling.

The couple received many gifts

## It's time to party at Dolly Hand Cultural Arts Center

By Maria Wise Miller

What's new at the Dolly Hand Cultural Arts Center? Well there is always something new. This theatre is your ticket to excitement.

From drama to music, from comedy to choirs, the Dolly Hand has it all right in your

of love from those assembled, and they also received words of wisdom and advice from couples who were married.

Lamar's great aunt, Angilee, and great uncle, Harlan Sears, held the longest record of 64 years! But many had been married as long as 50 or more years.

They are great people of the Glades, such as Mr. and Mrs. Don-

community. But what about the party? Well, the Dolly Hand Cultural Arts Center is proud to announce a new, elegant, select and fun party group -- The After Five Friends.

The After Five Friends of the Dolly Hand Cultural Arts

aid Kepp, Mr. and Mrs. Leonard Maxson, Mr. and Mrs. Joe Edensfield, Mr. and Mrs. Pete Hollon, and Mr. and Mrs. Joe Parker.

Many others present had been married 20 to 40 years, and they also had advice to give the young couple. It was truly a grand night of sharing for the church family, as they asked God to bless Lamar and Jennie.

Center is a very unique group.

Young leaders from the Glades communities of Belle Glade, Canal Point, Clewiston, Pahokee and South Bay are invited to attend their first session at the Dolly Hand with a special group ticket price.

But what about the party? Well, After Five Friends are invited to two cast parties exclusively from members following productions at the Dolly Hand Cultural Arts Center.

The first party will be "Capuccino and Cheesecake" directly after the performance of "Chicago City Limits" a top comedy group seen on TV and on specials as well as playing in New York.

So, if you thought things were slow, or you needed a bit of glamour and excitement, leave the kids at home, stay out really late and party with the After Five Friends of the Dolly Hand Cultural Arts Center.

How do you get to join in? Well, it is by invitation only. If you would like to receive an invitation, contact the Dolly Hand Cultural Arts Center at 992-6160.

Don't forget our season opening performance "On Golden Pond", a matinee performance on Oct. 16.

The Canal Point United Methodist Men's group held a Dinner, Wedding Shower, and Celebration for Jennie Morales and Lamar Sears. Left to right are Carmen Morales, Miranda Morales, Jeannie Morales, Lamar Sears and Wayne Sears.

## Weatherman says "rain, rain, go away"

By Mike Lyons

It was Henry Wadsworth Longfellow who said that "into each life some rain must fall". Henry must have spent some time in Florida during the month of September because boy, did the rain fall into our lives last month.

If fell and it fell and it fell.

For a while there it seemed as if the rain would never stop. Some folks reported at least one raindrop on each day of the month. Thirty days in a row of rain! Other folks saw streets disappear under rising waters and puddles large enough to swallow minivans.

September 1994 was very, very wet. Rainfall amounts for the month ranged from nine to 15 inches. One of my weather watchers near Fort Pierce reported 16.50 inches of rain. That's a lot but it is not even close to the record.

The wettest September in our recorded history was the September of 1960. During those very soggy days nearly 25 inches of rain was recorded. That's an average of just under one inch of rain per day.

Part of the reason that September 1960 was so wet was a hurricane named Donna and a tropical storm named Florence. Donna pounded Florida with heavy rains early in the month then Florence gave us another going over two weeks later.

September is traditionally our wettest month because of visiting hurricanes and tropical storms. It is the peak of the hurricane season, the month most likely to produce a tropical system.

Since 1886, 194 hurricanes have formed during the month of September in the Atlantic Ocean, the Caribbean Sea and the Gulf of Mexico. It is a rare September that does not see a tropical storm or hurricane.

September of '94 was one of those rare months. For the first

time in 26 years and for only the seventh time this century, a hurricane did not form during September. We did see two wimpy tropical storms develop but no hurricanes.

How come? "We don't have an answer to that question," said Richard Pasch, a meteorologist with the National Hurricane Center in Coral Gables. "If we understood more about how these tropical systems develop then we'd have a better idea why they don't develop."

Mr. Pasch says that weather conditions during the month of September throughout the Atlantic Basin have not been favorable for the development of tropical systems. "The biggest inhibitor were strong upper level winds," he said. "These winds prevented any system from building vertically into the atmosphere."

Those winds have been particularly strong over the Caribbean Sea which is where most of September's hurricanes tend to pop up. "We had a few strong candidates for hurricane development," Mr. Pasch said. "Then, the strong winds would come along and shear the storm apart."

Like any good hurricane forecaster, Mr. Pasch would love to have a tropical storm or hurricane to keep track of but don't get him wrong. He's pleased that it's been a quiet hurricane season. Remember, he lives in our area too.

He also knows that the hurricane season is far from over. October, for example, is the third busiest month for tropical systems. Chances are Richard will be busy this month.

Mike Lyons is the weatherman for WPBF, Channel 25.

## West County Mental Health offering free consultations

On Thursday, Oct. 6, the West County Mental Health Clinic will be offering free consultations to the public with its professional staff. Questions or feedback on mental health issues will be provided, as well as a personal screening and evaluation.

This week is National Mental Illness Awareness Week, and this Thursday is National Depression Screening Day.

As part of this country-wide initiative, the West County Clinic is encouraging people to take a "depression screening test."

Participants will receive their results immediately, and staff will individually give participants feedback and/or suggestions.

Many people don't realize the drink. A bake sale will be going on at the same time. There will be homemade cakes and goodies available.

The church is located at the corner of Highway 441 and Second Street. Monies raised from the event will be used to give scholarships to ladies who are going on a spiritual retreat.

### Camp meeting

Miracle Temple Church, 104 S.W. 16th Street, Belle Glade, will be having a South Florida Camp meeting, Oct. 16-23, at 7:30 p.m. On Sunday, Oct. 16 and Oct. 23, the event will be at 10 a.m. and 6 p.m.

subtle (and sometimes not so subtle) impact that psychological concerns can have on their functioning on their jobs, as well as on their homes and families. The Est County Clinic and staff believe that when people are more aware of their issues, they can deal with them better, and thus lead happier

and more fulfilled lives.

Appointments can be made between 9 a.m. and 3 p.m. on Thursday, Oct. 6, or you may just walk in during those hours and request a consultation. If you are interested, but are not able to come that day, you may call the clinic or Dr. Bolton at 992-1330.

### GDS yard sale

The Glades Day School volleyball teams will hold a fundraising yard sale on Saturday, Oct. 8, at Glades Truck Ice, next to Calossa Lanes bowling alley, beginning at 8 a.m.

Proceeds from the sale are used to finance the expenses of the teams through the season.

## A question for the new chief

This is addressed to the new chief of police in South Bay. Why is it that we, the citizens of South Bay, have to furnish a fire truck and a police car for the police officers to go drink coffee? Don't you know that it costs money to buy gas for that employee in a fire truck to go to a local restaurant to drink coffee? And also the policemen drive their police cars there.

When you go to work on a public job, you have to take your lunch and things to work. We're not entitled to punch in a clock and then go to a restaurant and sit down and eat and get paid for it.

I would like the new chief of police in South Bay to respond to this. Thank you."

Police/Fire Chief Charles Napier responds:

"Employees have a right to eat lunch. We only have one on duty at a time. If he leaves his fire truck here at the station and a fire breaks out, he would have to come all the way back to the station to get his

truck. However, by taking it with him, he can respond quickly from where he is."

The new chief said citizens are welcome to call him anytime with questions. His number is 996-6511.

## Rain, rain, go away

"I'm sick of all this rain. I wish it would stop for a while and I know the farmers do too."

I understand the conservation areas are very wet and it is stressing the deer and other wildlife. I can't remember when we have had such a wet September.

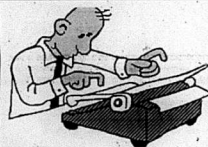

I just hope it stops soon before we're all riding around in boats."

## Why not here?

"I see where the schools in Palm Beach County are supposed to be integrated by 1995, but the Glades schools are exempt."

Can somebody tell me why these schools are exempt from this? I can't understand this."

## Long Term Care is health care - Include it in plans for reform

By Stephen McConnell and Lil Leviten

Millions of families and individuals across America are anxiously watching the outcome of the debate to reform the nation's health care system to see if it includes protection they really need - help with long term care.

Long term care is a grandchild with Alzheimer's Disease, a child with cerebral palsy, a veteran with a spinal cord injury, a husband or wife who has suffered a stroke, or a middle-aged worker with a disability as a result of a workplace accident. Long term care refers to the wide range of services provided over a long period of time to people such as these who need assistance with regular, everyday activities of living, such as eating, bathing, dressing, and moving from place to place.

Recent polls indicate that nearly one-half of American families (43 percent, AARP 4/93) have experienced a long term care crisis. Currently, 89 percent of all long term services and supports in this country is provided by a family member. The only public program that assists with paying for costly care is available only after the individual spends down to the federal poverty level and is

forced into an institution, like a nursing home. That is why 73 percent of all Americans favor government program for long term care. (ICR Survey Research Group; June 1992)

Long-term care must be included in health reform because long-term care is health care. It makes no sense to provide protection against acute illness, but to leave people vulnerable if they suffer from a chronic illness. To a family sitting around the kitchen table, there is no difference between spending \$20,000 on hospital care and spending \$20,000 on home care. It is still \$20,000 they do not have.

How can we say to a 57-year-old woman, "If your husband needs heart surgery, we'll be there for you, but if he breaks his spinal cord instead, you are on your own?" We cannot abandon these families in crisis.

Many critics of including long term care in the current health reform debate say that long term care is too costly. However, leaving out long term care simply adds unnecessary costs to the acute system - avoidable hospitalizations and emergency room visits, illness and injury to persons who have no care, and to caregivers who have no help.

Recent polls indicate that

support for health care reform proposals increase dramatically when people know that they include a long term care benefit. Still, there are Members of Congress who want to remove the long-term care benefits in an effort to cut the overall cost of the package in the belief that is what people want. To the contrary, 83 percent of those surveyed support health reform that includes long term care versus 46 percent support for plan that included only hospital and doctor care (DYG 6/93).

As Congress grapples with the difficult task of passing a universal and comprehensive health care plan, they should keep in mind that adding a long term care program dramatically strengthens public support.

Including long term care, especially home and community-based services, it is the right thing to do, too. Without it, health care reform isn't real.

Stephen McConnell is Senior Vice President for Public Policy for the Alzheimer's Association and Chair of the Long Term Care Campaign.

Lil Leviten is the South Florida Coordinator for the national Long Term Care Campaign. The South Florida Campaign has 109 member organizations.

## Superintendent of Schools speaks to Pahokee Rotary

Monica Uhorn, Palm Beach County's superintendent of schools, visited the Rotary Club of Pahokee on Thursday, Sept. 29. Mrs. Uhorn spoke to an overflow crowd at the Rotary luncheon and announced some things that are in the process for the Glades area schools.

She said she was pleased to announce that scholastic achievement levels were up substantially at Pahokee Elementary, Kathryn E. Cunningham Elementary, and at Pahokee Middle/Senior High School.

The Health Magnet Program at Pahokee High School is off to a great start, she said. Two full initial classes of ninth and 10th graders with over 50 kids attending have started. The kids in the health magnet program will get detailed and specific training about various health careers and institutions. Upon successful completion of the curriculum, the students will have had valuable on-the-job experience and will have gained familiarity with a variety of possible health services careers.

The course program is open to area four students entering ninth and 10th grades with a grade point average of at least 2.0. Mrs. Uhorn advised that the public can contact Mary Lou O'Brian, assistant principal, at 924-6400 for more information about the program.

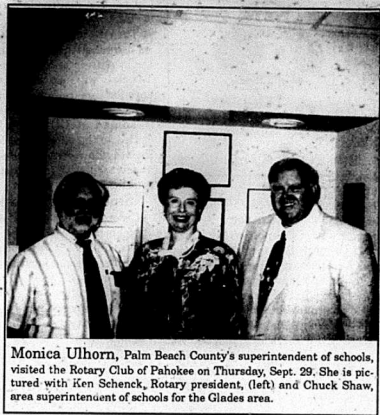

The Air Force ROTC program is now a proven success, she said, with a third full-time teacher added and over 150 students participating. The quality of the program, the enthusiastic student response, and recognition by the community has been a real high point and has been noticed throughout the county, she added.

Mrs. Uhorn was also pleased to announce a planned science technology lab building to be added to the Pahokee High School campus. Final funding has been approved and construction is scheduled to begin in the summer of 1995. The facility will bring to the area a top quality, state-of-the-art science educational center equal to the best in the state.

Finally, Mrs. Uhorn made several general comments about the Palm Beach County School system, re-affirming her commitment to continue to seek solutions to reducing classroom size, needed facility additions and improvements, and continued scholastic improvements.

Subsequent to the Rotary presentation, Mrs. Uhorn took time out to personally greet and thank many of the Everglades Regional Medical Center staff members who cared for the Pahokee High School students struck by lightning in September. Beth McMillan, emergency room supervisor, said, "I couldn't believe Mrs. Uhorn made a special point to come to see us. Her sincere appreciation on behalf of the students really impressed and touched me and my staff."

The Pahokee Rotary meets at Everglades Regional Medical Center every Thursday at noon. For more information about the Rotary, contact Ken Schenck at the City of Pahokee, 924-5534.

## Steve Baumgartner named controller at ERM

Steve Baumgartner

Steve Baumgartner has been newly hired as the controller at Everglades Regional Medical Center. He will be responsible for the hospital's financial record keeping and financial reports.

Mr. Baumgartner graduated from Indiana University and has had a 20-year background in financial accounting and controller duties in banking, having been on staff most recently at the Bank of Pahokee.

To his many friends in the Glades area, he has stated

"Our family is pleased to join the staff of Everglades Regional Medical Center. I and my wife, Sharon, are glad we will be able to stay in the Pahokee area and continue to serve and support the great people of the Glades area."

Mr. Baumgartner continues as president of the Pahokee Chamber of Commerce, Secretary of the Glades A.R.C., and an active church leader. He also teaches English at Glades Day where his daughter, Julie, attends eighth grade. Mr. Baumgartner's other daughter, Stacie, is a freshman at Indiana University.

## Klein dancers perform to full house at Prince Theater

Turnout was good for the Demetrius Klein Dance Company's first stop on their tour of the United States. The six-member troupe gave their first performance of "Elemental" at the Prince Theatre in Pahokee this past Friday and Saturday night.

The project was billed as *Forgotten Spaces*, part of a nationwide program promoted by Mr. Klein to bring attention

to little historical theaters around the country.

The performance was divided into four elements, representing earth, air, fire and water. A number of the Klein Dance Company's friends followed the group to Pahokee on Friday for the performance.

Set design and multi-media was done by Don and Mark Leahy and the music was by Bill and John Storch.

John F.X. Wargburton wrote the words and Joe Levy was in charge of the lighting design.

On Saturday, the audience included former county commissioner Dennis Kahler and friends and Vicky Silver, who was with the planning and zoning board for the county.

Members of the cast and crew were entertained with a party at the Pahokee Chamber and Museum on Friday night and again on Saturday night with a party in the lobby of the Prince Theater.

## Raider Log

By Lindsay Bennett

**Drama activities under way**

The Drama Club and Thespian Society are under way in their activities for the year. The first-play has been cast. It is "Drive-In," the story of a lot of kids and their activities at the Thespian District competition Dec. 7-8 at Olympic Heights. We wish all the cast and crew the best of luck! The cast is as follows: boy-Brian Edgcomb, girl-Snowie Austin, Jim Day! Flintroy, Rob-Robert Hamonds, Chuck-Marvin McDonald, Barb-Alexa Lutz, Laurie-Lindsay Bennett. The stage manager is Amanda Dyal, crew manager-Nael Shanti, props manager-Lonette Bolden and Kecia Knowles, and the play is under direction of Sarah Bennett.

### Criminal justice class representative

The new program at GCHC is the Criminal Justice class under the leadership of Mike Johnson. The class will help students prepare for careers in the criminal justice areas. Jacob Starling, a freshman at GCHC, has been elected to the office of president. He will also represent the school as representative in district and state activities.

### Students of the Week

Congratulations to this week's Students of the Week: Freshmen - Randy Burden and Antonio King; Sophomores - Joe Benjamin and Oneida Buenavista; Juniors - Snowie Austin and Ronnie Wright; and Seniors - Alvaugh Styles and Tequila Nelson.

### Football frenzy

Give it up for the great GCHC football team for another blow out! Only six points have been scored by opposing teams out of the five games played. Go Raiders!

### HSCT test coming soon

The juniors and seniors are preparing for the HSCT test. This is the test that is needed for graduation. Graham Frost and Patrick Mackin are giving review

sessions for those students looking for a little bit of extra knowledge. So, let's buckle down and study. A diploma is better than a certificate! Go juniors and seniors!

### Homecoming is just around the corner

Homecoming is the end of this month. The classes are collecting dues, designing shirts and getting organized. The theme for the homecoming celebration is "One Last Time." This is to commemorate that this will be the last homecoming at this location. Hopefully next year GCHC's will be in its new home.

### HIPPY registration presently in affect

Registration for the Home Instruction Program for Pre-school Youngsters (HIPPY) began Monday, Oct. 3. Anyone interested in registering a 4-year-old child in the HIPPY program this fall, contact Rosenwald Elementary at 996-4970.

HIPPY is a home-based parent involvement program designed to help parents provide educational enrichment for their preschool children. It provides weekly learning packets that specifically focuses on school readiness skills and concepts.

The program is absolutely FREE! There is no cost to the parents for the packets or the materials, and they are delivered to the parent's home or business each week by a trained parent educator.

HIPPY also provides on-going training for parents on how to use the materials.

Parents are encouraged to make a commitment to work with their child for only 15 minutes per day. By doing this, HIPPY believes that all children have a right to enter school "ready to learn".

## Glade View Elem. plans Family Math Night

### Family Math Nigh at GVE

The first of six Family Math Night events planned for this school year at Glade View Elementary will be held Thursday, Oct. 6, from 6:30-7:30 p.m. in the school's cafeteria. Parents and children will be able to choose from a variety of activities all relating to math. Instructions on how to make and use each activity will be given in English, Spanish and Creole. Parents are encouraged to bring their children to Family Math Night. Families will work together making math activities that can then be used for additional practice in the homes. Edna Stephens, parent's advocate at GVE, is coordinating this event.

### Children's Health Fair

A Children's Health Fair will be held at

GVE Saturday, Oct. 8. It will begin at 9 a.m. and continue until 3 p.m. A children's clinic will provide free physicals and immunizations throughout the day. Special activities for children include puppets, clown face painting and stage performances. Special activities for parents include a Resource Fair and Exhibits. This Health Fair is for the entire community of Belle Glade. The Children's Mission International is the sponsor and GVE is providing the site for this event.

### Pumpkins for sale

During the month of October, pumpkins will be for sale at the school. Stop by the school and purchase a pumpkin. The money raised will go toward activities for students.

## BGE students receive free books

RIF book distribution Wednesday, Sept. 28, Belle Glade Elementary distributed their first RIF books. During the school Open House, parents and students were given the opportunity to visit teachers and participate in our first of three book distribution.

Reading is Fundamental (RIF) is the nation's oldest and largest non-profit children's literacy organization. Last year, RIF helped motivate 3 million children to read by providing them with books they could choose and keep.

Belle Glade Elementary plans to distribute books again during Children's Book Week and just before our winter holidays. Each of our over 700 students will have the opportunity to enjoy choosing three new books before the end of the calendar year.

## Gator Tales

"Rain, rain, go away..."

Is there anyone in South Florida who isn't sick of the rain? If we're not careful, Florida's going to lose its lagan the "Sunshine State".

On the bright side, Glades Day School has the surprise

beneficiary of wet weather when last week's varsity football game was moved from Marathon to here. It seems Marathon's field was completely under water on Thursday and with the tropical depression out there, it received even more rainfall on Friday. By mutual agreement, the Gators were able to host a sixth home game for the season. They celebrated by trouncing Marathon 42-0. This week the boys go to King's Academy for a district showdown.

Speaking of home games, we have only one left and it will be our homecoming against district opponent American Heritage on Nov. 4. Seven lovely young ladies will represent the 1994 homecoming court: Hana Barhoush, Marshette Bowns, Jessica Crawford, Heather Evans, Naty Garcia, Sarah Willis and Sara Woodham. One of these will be crowned queen during halftime ceremonies at

the game. We have some teachers and students who should be physically fit after participating in the American Heart Association's Walkathon last Saturday at the Belle Glade Marina. About 20 NHS and NJHS members raked in \$1,848 in pledges for completing the 6.2 mile hike. This is the second year in a row the NHS and NJHS have taken on the service project and NHS sponsor Sharon Baumgartner has been pleased with the turnout.

"We sure got some sore legs and feet but our HEART was in it," she said. PUN INTENDED!

The varsity volleyball team got a first-hand look at some of the top college teams in the country when they traveled to Gainesville last weekend to watch Florida play Auburn. The Gators defeated the Tigers 15-1, 15-11, 15-11. The girls were very impressed with the dedication of the college players and came back to Belle Glade determined to play harder in their quest for a championship. They put their 7-3 record on the line this week with matches against Moore Haven and powerhouse King's Academy. Glades Day's West Campus has had an exciting first six weeks. Joyce Chamblee's fifth grade class had perfect attendance for the entire grading period, providing a challenge for the other classes.

They welcomed back book-keeper Donna Throop who has been out due to the illness of her mother. They are also praying for k-4 student Roberneka Ford, who is in intensive care at St. Mary's Hospital in West Palm Beach.

Students in grades fourth through sixth will be attending a Creation Seminar in Fort Lauderdale this Friday, Oct. 7. Speakers will be addressing the evidence for Creation as opposed to Evolution.

### Parents Take Note:

Report cards for grades seventh through 12th will be mailed home Thursday, Oct. 6. Elementary students on both campuses will be bringing their report cards home for parents to sign and return.

If you're sneezing in rapid succession, have no fever and your eyes itch, the chances are you have an allergy.

## Military News

Trevi Branch

**Branch**  
Private Trevi Branch recently graduated from Marine Corps Training at Parris Island, S.C. He is now stationed at Camp Lejeune, N.C. where he will be there for 26 days.

The 1994 graduate of Pahokee High School is the son of Thomas and Faye Branch of Pahokee.

The U.S. wants to maintain a ready and capable, albeit smaller military force.

## Laureate Gammie Zeta members enjoy gathering

Recently, Mrs. Gene Cross, formerly of Belle Glade and now a resident of Stuart, entertained members of her sorority, Laureate Gammie Zeta Chapter of Beta Sigma Phi, at her home in Rocky Point.

Freshly boiled shrimp was an appetizer. The guests were then taken to "The Pirates Loft" for the meal. Located on the waterway, the view enhanced the gathering.

Returning to Mrs. Cross' home, cake and coffee was served. The cake recipe was one of Willard Scott's (the weatherman) great collections from around the country.

Members attending were Helen Aspey, Virginia Anderson, Mary Nell Cook, Edie Kirchman and Nancy Carpenter. Other guests attending were Clark Wilkinson of Pahokee and Eva Spooner of Stuart.

## FOOD FOR FAMILIES drive to begin Oct. 10

WPTV Vice President and General Manager William J. Brooks recently announced preparations for WPTV's 10th Annual FOOD FOR FAMILIES campaign are now under way. The 1994 FOOD FOR FAMILIES campaign will run from Oct. 10-Nov. 22.

WPTV is asking community schools, businesses, unions, religious, civic and other organizations in Martin, St. Lucie, Indian River, Okeechobee, Glades and Palm Beach counties to help by sponsoring and conducting food drives. The individual food drives, which numbered over 550 last year, have been the catalyst behind the success of FOOD FOR FAMILIES for the past nine years.

This is a project that we at

WPTV undertake with a great amount of joy," said Mr. Brooks. "Last year's efforts, which raised over 500,000 pounds of food, demonstrates just how much this community cares for its neighbors."

Once again, special events will play a crucial role in the success of FOOD FOR FAMILIES. The Southern Bell/Telephone Pioneers/CWA Antique Classic Car Show on

Oct. 9, at John Prince Park, will serve as the kick-off event. The Gulfstream Council of the Boy Scouts of America will be "Scouting For Food" Nov. 5-12.

One major challenge this year will be a new location for the central consolidation warehouse in West Palm Beach. The Shops of Palm Coast at 7723 South Dixie Highway, will serve as the central warehouse. Once the food is

received, it is weighed, sorted and distributed to over 90 agencies in our six-county area who then in turn distribute it to the individuals who need it most.

In addition to holding food drives, there are other ways to get involved and support FOOD FOR FAMILIES. Volunteers who work in the warehouses are always needed, especially on weekdays. Trucks

and drivers to pick up food from individual food drive locations and deliver it to the warehouse are also needed.

THE FOOD FOR FAMILIES toll-free hotline number is 1-800-345-WPTV. Posters will be provided to all who register their food drives and those who participate will be honored in a PSA that will run when the campaign is completed.

## Alton and Lucille Long celebrate golden years

Alton and Lucille Long celebrated their 50th wedding anniversary on Oct. 7, 1994.

To celebrate the occasion, a luncheon was held at the Country Club of Mount Dora, in Mount Dora. Joining them were a small gathering of friends and family including their daughter Lynda Long, and grandson, Jason Flores. World War II helped Mr. and Mrs. Long decide to marry young. Mr. Long was 18, Mrs. Long was 16. They eloped to a town near their hometown of Macon, Ga., to Jeffersonville, Ga.

Mr. and Mrs. Long are both retired from A. Duda & Sons. Mrs. Long worked with the company for 36 years, Mr. Long, 42 years.

Mr. Long managed the harvesting and Mrs. Long worked in the office at the Belle Glade farm from 1956-1976. A transfer to Zellwood had them managing the farm for Duda until 1982.

In 1982 Mr. Long became president of the company's Texas operation, Valley Union, and Mrs. Long managed the office. They were in Texas until 1986 when they returned to Mount Dora to enjoy their retirement years.

## GFC places 90-day closure on Everglades

An area of the Florida Everglades totalling more than 700,000 acres in Palm Beach, Broward and Dade counties will be closed by the Florida Game and Fresh Water Fish Commission to protect deer and other upland wildlife stressed by high water levels.

The closure will cancel the annual Everglades deer hunt scheduled to begin Oct. 1. The water depth in Conservation Area 3A North in Broward County measured 12.4 feet at mean sea level on Sept. 26, almost 2 ft. higher than average for this time of year.

The 90-day closure went into effect Thursday, Sept. 29, according to Lt. Col. Dan Dunford, the GFC's Everglades Regional Director. The closure will affect the Everglades and Francis S. Taylor Wildlife Management

The 90-day closure went into effect Thursday, Sept. 29, according to Lt. Col. Dan Dunford, the GFC's Everglades Regional Director. The closure will affect the Everglades and Francis S. Taylor Wildlife Management Area, the Holey Land Wildlife Management Area, and the Rotenbeger Wildlife Management Area.

Lt. Dunford said the closure is necessary to protect deer and other animals stressed by the highest water levels in over a decade. Deer are especially vulnerable when high water forces them onto levees, and the remaining tree islands where they quickly exhaust available forage.

Human activity such as vehicles running the levees and boats moving through the marsh drive the deer back into the water creating additional stress. The deer quickly strip the high ground of grasses and low shrubs.

"We don't enter into this decision lightly," said Lt. Dunford. "The area is a very popular spot for hunters and other recreationists who just like to get into the Everglades. The decision to close the area will affect a great many people."

"Our first concern, however, is to protect the natural resources affected by the high water," he said. "Ever since the high water crisis of 1982 we have been very careful to manage the area in such a way as to prevent a recurrence of that disastrous situation."

In 1982, similar water levels resulted in a major deer dieoff in the Everglades, but Lt. Dunford doesn't expect a repeat because the deer herd has been managed to maintain a lower population.

All vehicles and boats will be banned in the closed area. The only exceptions will be outboard motor boats in the deep canals, and tour aircrafts using specifically permitted routes that will not affect the resource.

Mr. and Mrs. Alton Long

## Superintendent visits Rosenwald Elementary

Gay Gordon came to South Bay bearing gifts that would put Santa to shame. Mrs. Gordon represented the Del Prada Elementary School's PTO. Del Prada has adopted Rosenwald Elem. and she came with an abundance of crayons, glyce, notebooks, pencil boxes, crayon bags, book bags, colored markers, paper and pencils galore. Many thanks to Mrs. Gordon, her son Adam who assisted her, the administrative staff, and the Del Prada PTO.

Members of the John Hopkms University staff were on campus to monitor the implementation of the Success for All Program thus far. They visited classrooms during the reading session and reported a good job done by all. A workshop was held on the second day of their

visit to update material and give valuable tips. The workshop was conducted by Mrs. Ramsey.

Students at Rosenwald may be treated to a concert featuring the group "New Beginning". In conjunction with a contest sponsored by WPOM radio station, students whose school sends in the most letters requesting the group will be given the free concert. Good Luck!!

Superintendent Monica Uhlhorn, Area Superintendent Chuck Shaw, and Dr. Uhlhorn's assistant were visitors to the campus on Thursday, Oct. 29. Mr. Russell Bowie's fourth grade science class received rave reviews for the very good job they were doing when Dr. Uhlhorn visited their class. Way to go Mr. Bowie and class!

## New chief already interacting with community

Tammy Jackson  
Staff Reporter

Due to the many stereotypes that are placed upon the Glades, many people not only choose to live elsewhere, they also choose to work places other than in the Glades. However, according to the new South Bay Police/Fire Chief, Charles Napier, 52, that statement isn't true.

Chief Napier said he chose to accept the job as leader for the police and fire department with the City of South Bay because "I want to try and do something for the people of South Bay and make a difference in their lives."

Originally from Georgia, Chief Napier's family moved to Riviera Beach when he was 12 years old.

Following graduation from high school, he joined the United States Marines from 1963-1967 where he was stationed at Camp LeJune, N.C. He served two years of inactive duty as a Reserve. While in the military, Chief Napier spent time in Puerto Rico, Spain and the Canary Islands.

He married his high school sweetheart, Gloria, and the couple have been married for 31 years. They have one son, 28, who is employed as a stock broker, and a daughter, 17, who is a senior in high school.

The chief said he is a born-again Christian and a member of Mt. Olive Missionary Baptist Church, Riviera Beach, where he serves as a deacon.

Being the police chief of a city doesn't give Mr. Napier

much free time, but when he does have some time to himself, he said he enjoys playing chess, fishing, golfing, hunting and playing tennis.

In 1967 Mr. Napier joined the Riviera Beach Police Department. He had a break in service in 1971, but rejoined the force shortly thereafter. While in Riviera Beach he received numerous promotions and rankings. He met a shortfall with the department when allegations of sexual harassment were brought forth against him. However, Chief Napier was exonerated of the charges and he received full back pay of his wages.

When he retired from the Riviera Beach Police Department this year, he held the rank of assistant police chief.

Chief Napier said he understands much of the concerns of the people of South Bay. He said he grew up in a manner very much similar to people in the area that he heads protection for.

"I was dirt poor, about as poor as poor could be when I was growing up," said Chief Napier. He said he sympathizes with the citizens when they talk about jobs being very scarce, but he also says he hopes to instill in them that they must be willing to work hard for they get.

Chief Napier frequently stops where there are crowds of youths congregating and introduces himself.

By talking with the youngsters, Mr. Napier said he plans to instill in them to never give up and always "do whatever you can do to be the best you can be." He said he wants the citizens to fight for what they want and not sit back and wait for handouts.

Being the leader of a police department which had been accused of using excessive force, the chief said the officers will continue to attend sensitivity training

Chief Charles Napier

workshops. He also said the department will do whatever it takes to protect the citizens of South Bay, however, the community must show sensitivity toward the officers.

"We will do what is necessary to enforce the law and we will do it as cordial as possible," said the chief.

Known to everyone who travels U.S. Highway 27 as a department that doesn't mind writing speeding tickets, the chief said the department will indeed continue to check speeders in the South Bay area, but he also wants the town to be noted as fighting crime.

The South Bay Police Department has the lowest salary range in the county and Mr. Napier said there are instances when officers will choose to leave South Bay for better paying jobs.

Mr. Napier said he meets continuously with his staff said he understands that gripe (low wages) by some of the officers. He said he plans to work toward getting more money for them when the budget does indeed allow for that.

He said he has assured the department that when there is more money available, he will fight to bring it to them.

"I want to instill and create hope in young people," said the chief. "I want to be able to make a difference in the lives of people and I will do whatever I possible can to make South Bay a safe place to live and work in."

## Raiders football coach stresses discipline

Tammy Jackson  
Staff Reporter

"My life-long dream has always been to be a head coach of a football team," said the new Glades Central Community High School Head Football Coach. "If I were to stop coaching tomorrow, I will not be upset because I have accomplished what I've always set out to do."

Receiving his Master's degree from Florida Agricultural and Mechanical University, Tallahassee, in 1975, Coach Watson, 42, now resides in the town where he is the high school's head football coach. However, Palm Beach County is a familiar place to the coach.

He first moved to the area in 1983 where he taught for three years at Boca Raton High School. However, he moved away to the Orlando area and returned back to Palm Beach County in 1993 where he taught Severely Emotional Handicapped children at Spanish River High School, and was the assistant coach.

When Coach Rick Casco resigned his position of head football coach at Glades Central, Coach Watson knew he desired the position. He said he is grateful Dr. Grier gave him an opportunity to come to Belle Glade and exhibit his skills.

A new member of the Raider family, the head coach teaches Cities in Schools (drop-out prevention) at the high school.

Coach Watson accepted the head football coach position for the Raiders because he said he is

Coach Milton Watson

interested in turning some of the negatives in Belle Glade into positives. He said "I want to help them become men, not only football players."

Strict rules are enforced on Coach Watson's practice field and football field. He said his main focus on the lives of the players is discipline. "There are certain rules they have to follow. If they break the rules, they face the consequences," said the coach. The coach said players who do not obey and follow the rules and do as instructed are required to do extra drills after regular practice.

The coach said practice for the players is mandatory and they will only be excused if they have legitimate reasons. If a player misses practice and there is no good reason for his absence, he faces the consequence of not being able to play in that week's ball game.

Ranked No. 1 in the State 4A poll with a record of 5-0, Coach Watson said he knew of Glades Central's potential and the town's

enthusiasm for the team. He said he contributes much of the team's success to his coaching staff.

He said being that he was a new coach to the program, he permitted much input from the existing coaches. He said he incorporated some ideas of his own ideas with those of the coaches and came up with the winning formula that makes the Raiders undefeated.

"I never wanted to come in and be a dictator, therefore, I took into consideration their thoughts and ideas," said the coach.

Only giving up one touchdown so far this season, Coach Watson said the defense is doing great. He said he must give the praise to his defensive coordinator, Kenny Funderburk. Coach Watson said he sees Coach Funderburk as his "right-hand man."

Coach Watson said he strives to see improvement after each game. He said he is only satisfied if the team has improved more from one game to another. He said he is interested in seeing a total team effort on the field with more commitment and dedication.

Spending six days a week with the football team not only makes the coach a coach, it also makes him somewhat of a father figure to the players. He said he wants them (the players) to understand, "the road to success is not a happy one but it is a road of determination."

Coach Watson said, "It's a hard road and I am determined."

## WHLPLASH

Whiplash injuries can result from a sudden backward and forward whipping movement of the neck, caused by an auto collision, a fall, a powerful slap on the back, or even a violent sneeze. The ligaments and muscles controlling the spinal segments are stretched or sprained, allowing the vertebrae to slip into abnormal positions. Nerves are then "pinched" or irritated, giving rise to headaches, nausea, dizziness and other pain.

**Ask Your Cashier to "Even-Up" Your Total to the Next Dollar for the Hungry.**

Winn-Dixie and the Daily Bread Food Bank has joined forces throughout South Florida to battle against hunger. Have your cashier round off the total grocery order to the next dollar or more if you choose. The money is automatically added to an ongoing fund being raised for the Food Bank. Every dollar raised by the Food Bank provides meals to the hungry people in our community. All funds raised will be utilized to obtain needed items for distribution. Just say "Even It Up" at the checkout to help feed the needy.

**STOP ANNUAL BLUEGRASS FROM INVADING** (NAPS) - Have you noticed light-green patches in your lawn as soon as the temperature begins to drop in the fall and through the winter? Or when summer begins have you discovered areas of brown, dead grass in an otherwise healthy lawn? If so, the grassy weed annual bluegrass (also known as *Poa annua*) could be the culprit.

Unlike most other weeds that grow in spring, annual bluegrass seeds germinate in the fall when warm-season grasses such as bermudagrass are entering dormancy. Subsequently, the weed flourishes throughout the winter and dies during the following summer, leaving brown, dead patches where the weed once thrived. In fall, the cycle begins again.

Homeowners can stop this prolific pest by applying Team's pre-emergent herbicide this fall. Team prevents grass weeds such as annual bluegrass from breaking through the ground by creat-

ing a "weed prevention zone" below the soil. As weed seeds begin to germinate, Team stops their growth, halting weeds before they ever break the surface.

One simple fall application prevents annual bluegrass from coming up all winter. Because you apply only once, it can be a fast, easy and convenient way to a beautiful, weed-free lawn.

Team can be found in a variety of brand name weed prevention products available at local lawn and garden and hardware stores.

## Glades Central remains undefeated; demolishes PJP 47-0 in non-district match-up

Band members show up in full force to provide entertainment and support for their football team. The Blue Devil Band is known for their uplifting halftime show and school spirit.

By Alexa Lutz

In a 47-0 shut out, the Glades Central Raiders grounded the Eagles on Friday night. The Raiders spread the wealth around as seven Glades Central players scored on Pope John Paul.

By the end of the first quarter, the Raiders had already scored 14 points to put them undeniable on top. The first touchdown was scored by senior running back Joaquin McGowan on a 3-yard run. The kick from Gerald Lewis was good. Next, senior quarterback Jadaun Seider completed a 17-yard touchdown pass to wide receiver Reggie Moorer. The Lewis kick was good.

In the second quarter Seider scored on a 1-yard run and with a good kick from Lewis, the halftime score stood at 21-0.

In the third quarter, an 8-yard run by Marcus Bowie resulted in a touchdown and a good kick by Lewis. This put the Raiders ahead 28-0.

In the fourth quarter, the Raiders broke lose and added an additional 19 points to the scoreboard. Michael Bryant had an 8-yard run for a touchdown. He was followed with a touchdown by senior wide receiver Errol Griffin. To end the game Jabart Mitchell scored on a 58-yard run. The Lewis kick was again good and left the Raiders with 19 points scored in the fourth quarter.

Senior running back James Jackson, who

only touched the ball five times, rushed for an amazing 66 yards, averaging 17.2 yards per carry in spite of a twisted ankle.

"It was difficult to run with a bad ankle, but I managed to cope. We all worked together for a big win," said Jackson.

In the air, Seider threw for 129 yards and scored one touchdown.

Linebacker Johnny Rutledge led the defense with eight tackles. David Jackson came in a close second with seven tackles.

"As a team, we played well," said Rutledge. "We wanted another victory. As for the defense, we still have a shut-out."

The Raiders, 5-0, are ranked number 1 in the class 4-A state poll. The defense has yet to be scored upon.

With the light half of the schedule completed, the Raiders are anticipating a tough schedule ahead which includes Suncoast, Clewiston, Olympic Heights, Fort Pierce Central and the regular season final against Pahokee in the Muck Bowl.

The season ends with away games except for homecoming which will be played against Olympic Heights on Oct. 28.

Coming up Friday evening, Oct. 7, the Raiders will face the Suncoast Chargers in a game at Suncoast.

"It's a big game," said Head Coach Milton Watson. "It's a district game. We've got to win."

## Pahokee Blue Devils upset William T. Dwyer 14-0

By Robbie Everett

The Panthers of William T. Dwyer traveled to Pahokee with winning on their minds. Coming off their first victory, the team was hyped and hitting hard. Their defense kept Pahokee's offense off guard and wondering if it's only score would be the 75-yard punt return by George Ruddle early in the first quarter.

At halftime, the Devils fled 6-0. The coaching staff recognized its first hometown hero, Lefann Williams, for his outstanding performance against Palm Beach Gardens.

Each home game an outstanding Pahokee athlete will be recognized at halftime.

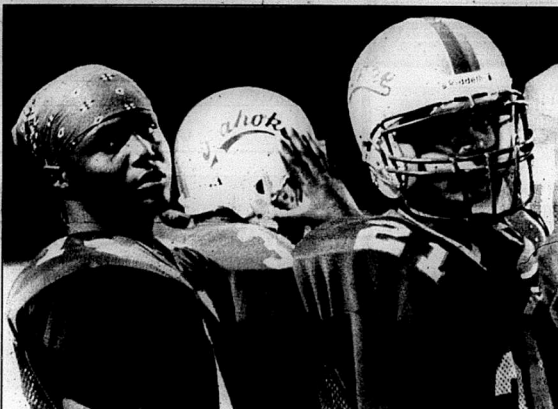

The Blue Devils' defense had revenge on their minds as they sacked the quarterback four times (Jeremy

Hanna (1), Carl Boldin (1), and Glenton Edwards (2).

They also had two blocked kicks by Jeremy Hanna and Arthur Hicks, a fumble recovery each for Corey Pate and Carl Boldin, and a fourth quarter interception to set up the final score by Williams.

Quarterback Jebahres Everett ran the two-point conversion.

The Blue Devils have an open date this week, but will face Suncoast at the Charger field Friday night, Oct. 14.

Blue Devil players even maintain an 'I am prepared' attitude when they are not on the football field. The Blue Devils have lost one game, but they are still ranked No. 1 in the class 3A poll.

## Lady Blue Devils shine against Bobcats

Pahokee Volleyball

By Robbie Everett

Pahokee won one and lost a squeaker at home last week against the Boca Raton Bobcats.

The Lady Devils Junior Varsity team won the best of two out of three games (Game 1, 15-4 (PHS), Game two, 13-15 (Boca Raton) and Game 3, 15-13 (PHS)). Game one was led by Leslie Bouie with nine service points. Bouie ended the game as high scorer with 15 points on the three

game series.

The Lady Bobcats won the second game, 15-13.

Game three was led by Edwina Harden with 6 service points (9 total).

Overall scoring was Gilya Baltazar, 10 points, Felicia Bands, five points, Tawanna Woodfolk, 1 point, Chentell Gilbert, 1 point and one block, and Terence Lauler with 4 service points including the final service point to win the game (15-13).

The Lady Devil Varsity

team lost a squeaker as the Lady Bobcats defeated them 15 to 9 in game three to win two of three games.

Robin Collier and Wilvetta Pringle led all players with 8 service points each. Collier also assisted the team by setting up spikes for Jacaranda Banks (four points and one spike).

Team scores include Robbie Banks (6 points), Jennifer Smith (five points), and Mary Burroughs (one point).

The Blue Devil volleyball coach talks extensively with the volleyball players.

## Glades Day School Gators filet Marathon Dolphins at Gator field

### Dolphins scoreless against Gators

The Gators were scheduled to go on their first road trip of the season but due to bad weather in the Keys, the Gators were able to host another home game. The Marathon Dolphins traveled to Belle Glade to face the No. 1 ranked team in the Class 2A poll.

The Gators' defense was in rare form Friday night. They held the Dolphins to four first downs and to a total of minus 54 yards rushing. They were able to cause four fumbles and both GDS senior Patrick Whitehead and GDS junior Shawn Whitlock sacked the quarterback in the end zone scoring two safeties for the

Gators.

Whitlock scored a touchdown, and Patrick Altman and Farris Shatara both had eight tackles and two sacks each.

Senior running back Jeff Goodale started the Gators off with the first touchdown of the night, putting the Gators on the board 6-0 over the Dolphins.

Whitlock intercepted a Dolphin pass and went 35 yards to score his first touchdown of the season. The point-after-try was good, and the Gators finished the first quarter up by 13.

Whitehead sacked the Dolphin quarterback Richard Hale in the endzone scoring a safety and adding two points to the Gators' score.

Senior Marcel Bowens ran 62 yards on a kickoff return for the Gators' third touchdown of the evening. The PAT was good.

Senior Gator Danny Scott went in the endzone for his first touchdown of the night and the Gators went into halftime with a 28-0 lead.

After halftime, Scott entered the endzone for two more touchdowns, Shawn Whitlock capped off the win with a quarterback sack in the endzone scoring a safety for two points. The final score was Gators 42, Dolphins 0.

Next week the Gators travel to West Palm Beach to face the King's Academy Lions. The Lions are 0-1 in District standings and 0-4 overall. The Gators are 2-0 in District standing and 5-0 overall.

Standing prepared for any emergency that arises at a football game is (left to right) Belle Glade Police Department Inspector Louis Lowery, GDS junior varsity Coach Wayne Minor, and Belle Glade Fire Chief Tony Tuliano.
